*The Third Annual
Humanism in Medicine Last Lecture Series*

Featuring Christopher Ellison, MD, FACS
Academy Professor
Robert M. Zollinger Professor Emeritus
Department of Surgery
The Ohio State University

The Last Lecture by Randy Pausch first appeared in print in 2008. Dr. Pausch simply asked, “What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy?”

We welcome Dr. E. Christopher Ellison, skilled surgeon, innovative medical educator and respected leader in medicine for our third speaker in the Last Lecture Series. Please join us as he reflects on his personal and professional journey.
